

SS Peter and Paul Family Faith Formation

4K - Confirmation

Finding God: Our Response to God's Gifts integrates the themes of the *Catechism of the Catholic Church* with Scripture and Catholic teachings. Each child will receive a textbook, and parents will be provided with numerous multimedia resources online to help guide their children in their formation of faith. Also, each month, parents *and* children will gather at the parish for a meal (except the first meeting), prayer, and catechesis with their peers, whether child or adult.

In this way, your children will learn and revisit concepts and vocabulary from one year to the next, broadening and deepening their knowledge and experience as they grow in faith as committed disciples of Jesus. There will also be scripture and guided reflections and traditional prayer.

Cost: **\$75 per family** to help cover the cost of books, materials, and meals for the year.
+ **\$25 sacramental fee per child** preparing for First Communion or Confirmation
